

## Tucson Garden Railway Society – 2015 Rails in the Garden Tour Saturday and Sunday, March 7<sup>th</sup> and 8<sup>th</sup>, 10am to 4pm both days

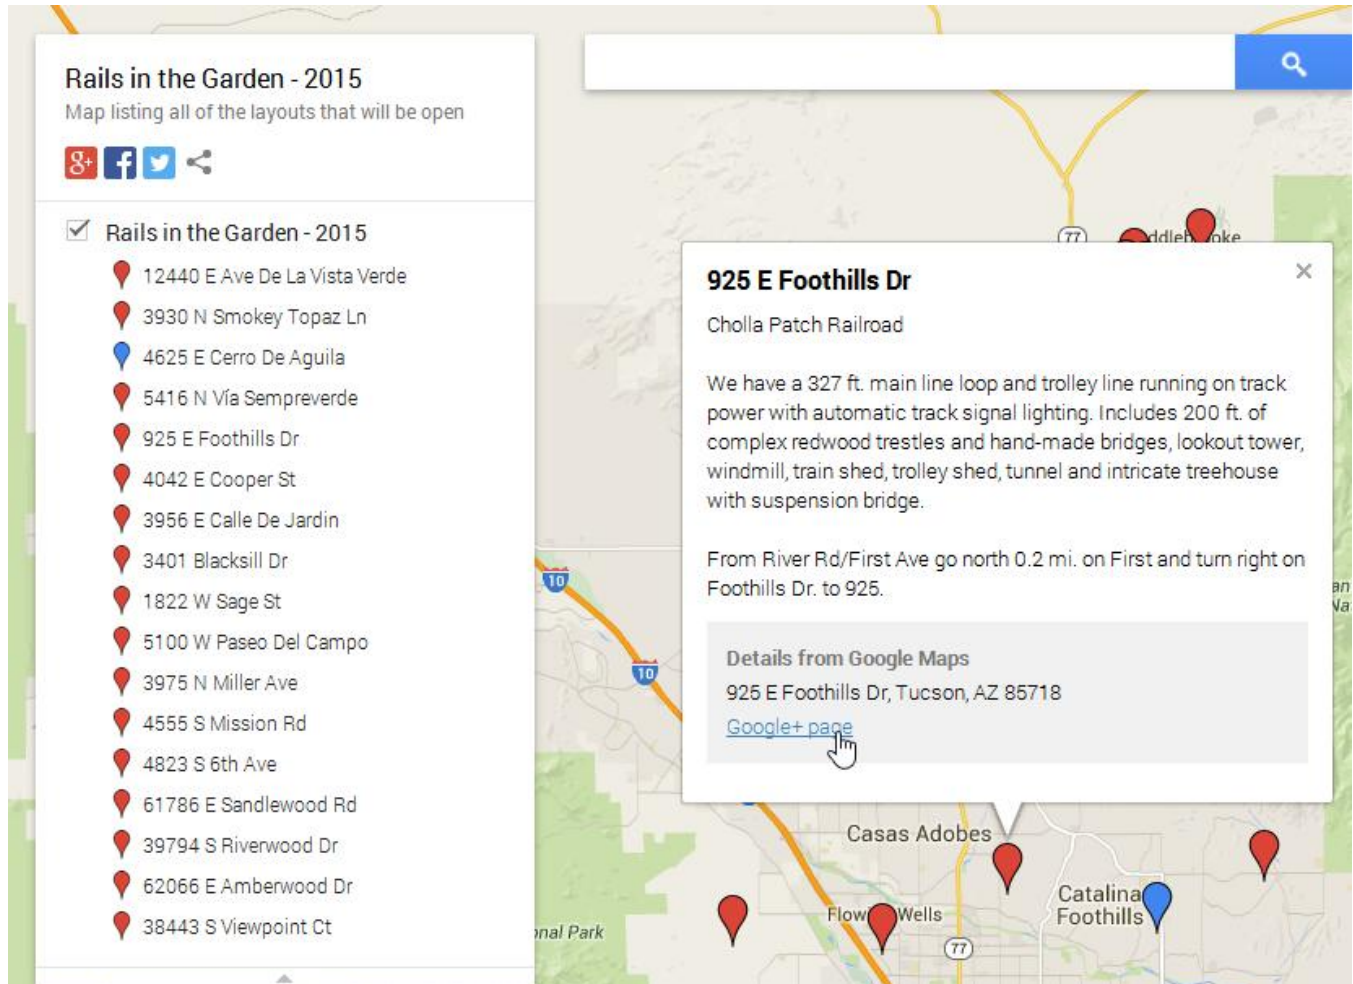

This is a normal, interactive Google map. You can zoom in and out, scroll, access “street view”, etc. The map has location markers indicating the location of each layout. Additionally, the addresses of all of the layouts are listed on the left side of the map. All of the layouts, with the exception of the one in blue, are wheelchair accessible at least to some degree. Click on any of the location markers or on the address in the list to learn more about that particular layout (see the following information).

Note – To assist you in finding the layouts, they are listed on this map in the same sequence as they are in the printed “Layout description/directions” pages. They start with those on the **East** side of the city, proceed to the **Central** area, the **Northwest**, **West**, **South** and then to **Saddlebrook**.
