## **WORKSHOPS**

After the September 14th meeting, Gary Martin will be giving a short workshop, approximately 30-45 minutes, on how to fabricate corrugated metal roofing. Bring just a pencil and notepad. Gary will be giving the demo building to one lucky winner at the end of the class.

## **SOCIAL LUNCHEON**

Well, I missed another luncheon (yes, another motorcycle ride). So I am really ready for a Red Garter burger. The Red Garter Saloon, located at 3143 E. Speedway just east of Country Club. The date is Wednesday September 18th. The food is always great, the service excellent, and the conversation varied and fun.. Be there at 11:00 for pool (no rules, loose scorekeeping and lots of fun), or 11:45 for lunch. Call Chuck Cook at 977-7673 with any questions.

## Changes to Volunteer Sign-Up Process and Recent Requests

Rather than bringing sign-up sheets to the general meetings, we are rolling out a volunteer sign-up software used by several of our members for other organizations. The software is called SignUp Genius. SignUp Genius also sends a reminder email as the event approaches. Hopefully this will make volunteering a little easier for everybody.

**About Butterfield Days Celebration in Benson**

The city of Benson would like us to participate in their annual celebration of Butterfield Days. It is scheduled to be a big festival with the Buffalo Soldiers, Mormon Battalion, and artifacts from the Bisbee Museum. If you enjoy history, good food, and good music this is the event for you. Learn the history of Benson AZ through a living history extravaganza. Displays and re-enactments; Native flute, mariachi; rockabilly; western music. The organizer was very interested in our children's layout and anyone who knows historical information about the train coming through Benson.

Saturday and Sunday October 12-13, 2019

**About Light The Night**

The Leukemia & Lymphoma Society's Light The Night Walk funds treatments that are saving the lives of patients today. LLS is making cures happen by providing patient support services, advocating for lifesaving treatments and pioneering the most promising cancer research anywhere. And it's all happening now. Not someday, but today. Each year friends, families and coworkers form teams to raise money in support of our mission.

This year, in the fall, these teams and their communities Light The Night at our walks where we gather together to celebrate, honor and remember those touched by cancer.

Contact Wally Gazdzik to be a part of this event. Saturday October 26, 2019.

TUCSON UNIFIED SCHOOL DISTRICT

### TUSD Attendance Signup

<https://signupgenius.com/go/8050f4dafaf2aabfd0-tusd>

Each September TUSD has an Attendance Awareness Campaign stressing the importance of being in school every day. It's a contest among the Kindergarten classes throughout the district to see which class can improve their attendance. For the winning class, they like to bring a "surprise" as a means of thanking them for their efforts. This year's contest is called Keep Your Attendance on Track!! Each class will have a train track poster and cars. Each student writes their name on a car and keeps it on the track unless they are absent then their car is taken off the track.

For the prize, we are going to bring a model train to the school for the kids to see and take turns being the engineer.

## HISTORIAN NEEDED

The club is seeking a volunteer to head up a small historian committee. The job would entail collecting photos, news articles and stories about the club, activities, members and their layouts, etc. Deciding how to document, save and use this information would be part of the committee's responsibility. Want to help out the club from the comfort of your kitchen table? Then this is the job for you. If you are interested, please contact one of the officers this summer.
